Thinking of selling?

We are always keen to add to our stock, especially English STC books (pre 1640), continental books printed up to the early 1600s and medieval and renaissance manuscripts both decorative and textual, in all languages and on all subjects. We are also occasional purchasers of collections of later items. We are particularly eager to acquire fine, complete copies in early bindings.

If you are thinking of selling, please do get in touch to arrange an appointment. We are always pleased to consider offers, and will give as much help and advice as we can if your books are not for us. This is always provided free of charge and with no obligation on your part. Naturally, our discretion is assured.
